5. Women's League President report – Leslie Coates
See attached
6. Men's League President report – Dave Luce
See attached
7. Mixed President report – Marilyn Luce
See attached
8. Women's Captain report – Barb Provost
See attached
9. Men's Captain report – Bob Lomas
See attached

10. New Business

- a. Golf Course feedback – the MA will be sending a separate report to the Highlands management with feedback on the golf course operations for 2021.
- b. Merits of a sponsored social event in 2022
The social event in August was well received. About 50 people attended. This was the first social since COVID had resulted in the cancellation of all social events since Spring 2020. We are hopeful that we will be able to have a dinner with the AGM next spring as well as plan for additional social events as determined.
- c. New mixed league executive
Sue Lanthier will be the new President for the Mixed League. Dave offered thanks to Marilyn for her work with Mixed League events over the past 4 years.
- d. Drop zone on hole 3 – discussions on the merit of creating a local rule to allow using the left side drop zone for league play to improve pace of play. This will be taken up further with individual leagues and golf operations.
- e. Date for 2022 AGM and planning mtg.
Leslie suggested that the next meeting would be in early April with the hope for an in-person AGM and dinner in late April. (Suggested AGM date Tuesday April 26, 2022)
- f. Other
Thanks was offered to Dave for his work for the MA.
Bob suggested that he and Barb send 2021-2022 proposed schedules to Shawn and Chris in the next month. This would help them plan outside events like tournaments and Tee Times for Villa guests

11. Next meeting

Leslie will call for a meeting in early April.

12. Adjournment

The meeting was adjourned at 5:05 pm

Highlands MA President's Year End Report 2021

We got off to an early start, playing golf the last week of March then we got shut down again for 6 weeks or so due to covid restraints. League started up again late May and the delay was probably good for the golf conditions going forward.

We had record numbers of members for the various leagues this. Thanks to all the organisers. I wish to extend my thanks to the many volunteers who have helped to make Calabogie Highlands a fun and social place to play golf and enjoy friends.

Many thanks also go to the clubhouse and pro shop management team, Tracy and Brian and Shawn were always approachable and helpful and delivered an excellent product. Thanks also to club ownership for the continued improvements in the course and for listening to our feedback.

This year we were able to host the August Sunset Social. The first Members Association event in 2 years. It was a great evening with live music and prepared snacks and a lovely sunset. Thanks to all who attended. We hope to be able to host more social evenings in 2022, please feel free to speak with any league volunteers with your ideas and/or support.

This fall Leslie Coates will assume the mantle of President of the Members Association for the 2022 golf season, I will be retiring from active duties and will look forward to being an active participant next year.

Safe travels to the "snow birds" among us, for everyone else, have a great winter wherever you are enjoying it.

David Luce, President Calabogie Highlands Members Association

Calabogie Highlands Thursday Women's League Year End Report 2021

Submitted by Leslie Coates: WL President

The Thursday Women's League had another successful year despite a slow start due to the Provincially mandated COVID lockdown. We started on May 27 and finished on September 30. While two tournaments were cancelled, Member Guest and Invitational, it is looking good that we can return to a more normal season next year which would include these tournaments.

We would like to acknowledge the generous sponsors for our Ryder Cup events: Annette Charbonneau, Alcock Electric, King's Off Road, and Joyce Hatt. We also acknowledge other sponsors who donated prizes for the draw : Judi at our closing: Judi Fraser, Dave Abraham, Calabogie Highlands, and Shawn Mosiondz.

I would like to recognize the ongoing work and support of the WL executive: Joyce Hatt, Vice President; Gill Wilson, Treasurer; Susan Lomas, Secretary; and Barbara Provost, Women's Captain. Thanks to Gill and Joyce whose terms are up and welcome to Ann Anderson, Treasurer; Linda Thomas, Vice President; and Lucie Berthiaume, Assistant Captain

The golf course was in excellent condition this year. Thanks to the maintenance team and Club Management. Thanks also to Shawn Mosiondz and the Pro Shop team for their help and cooperation. We also enjoyed the good food and service on the Patio. Thanks to Tracy and her team.

At the end of the season, we held a survey using Survey Monkey to get feedback on the games and starting times we have incorporated during our COVID season. Results of the survey will be used in planning for the 2022 season and will be shared with the WL membership.

Men's League President's Year End Report, 2021

Well, we got off to a great start in 2021 but then had to hit the pause button for 6 weeks. First game of golf was in late March, Les Robertson missed the green at 3 but was able to walk out on the ice to hit his approach shot, unfortunately he hit it back into the pond, but it was very entertaining. I didn't hear of anyone losing their clubs in a water hazard this year so that is a plus.

I would like to thank you all for your continued support of the Men's League. We have an exceptional group of men who really enjoy the fun social atmosphere we have tried to promote. We increased our membership again this year, it is almost like putting on a tournament every Wednesday! Thanks Bob!

I will be stepping down this year after 4 fun filled years as the Men's League President and would like to express my sincere thanks to my fellow volunteers who have made my job so much easier.

The support of the membership has also been very gratifying, I thank you all.

2021 Club Championship was very successful (if not a bit too warm). Thanks to Shawn Mosiondz, Susan Veale and the committee for pulling this together. Thanks to "The Highlands" for the great prize table for all the winners.

Congratulations to our winners: Club Champion and A Division – Ray Holder, B – Ryan Stevens, C – Bob Chantler, D – Tim Gordon. Low Net Winners were A – Des Bradley, B – Tom Coates, C - Don Swift and D - Marcel Benoit.

Pro Shop – thank you very much to Shawn and staff at the Pro Shop this year, everyone was very helpful and always approachable with requests for help. The ladies managing the beverage service at the Bunker Bistro were excellent and did their job with a great attitude.

Clubhouse– special thanks to Tracy and chef Brian and the staff for providing great food and service.

Calabogie Highlands – Thanks to Chris and Rick, All in all the entire course was in very good condition this year considering how the season started. Thank you for your investments in the course, the new watering system should provide great benefits for the future. The new carts were a great addition and the Bunker Bistro was excellent again.

Finally, thank you to the Men's League Executive for a job well done. Lou Lanthier - VP, Bob Lomas - Captain, Terry Dort - Treasurer, Peter Provost - Assistant Captain, John Cere - Secretary.

David Luce, President Calabogie Highlands Men's League

Mixed League Year End Report 2021

Despite the challenges this year again presented due to COVID, we were able to enjoy 3 Mixed League events. All events were well attended and the weather cooperated. Outdoor dining per Covid protocols was very much appreciated. Tracy and her team were excellent to work with and provided very good meal choices.

Sunday May 30th - Mixed League Opening - cancelled

Sunday June 27th - Battle of the Sexes – **Won by the men this year.**

Sunday July 25th - Team Scramble

Sunday September 19th - Mixed League Closing, Covid Bingo.

Thanks to my team of Sharon Pearce, Sue Lanthier, Jayne Allerton and Terry Dort for their help in organizing the events. To all the members, spouses and guests who attended, you made these events fun to organize and play.

This is my last year of chairing the Mixed League. I will be passing the torch to Sue Lanthier who will be planning the 2022 calendar. More fun ahead next year I'm sure.

Marilynn Luce, President, Mixed League

Women's League Captain's Year End Report 2021

Year number 2 with COVID as our uninvited guest. We had some challenges at the beginning of our year, as our season was planned to start on May 6th, but the opening was delayed until May 27th, we missed three weeks before we started to play golf.

Our opening started May 27th and so did our games. We ended up playing all 4 Pin Rounds, the Buzz McConnell Tournament, 3 Ryders Cup games between the Red Silks and Black Satins ending with a tie, 6 different golf games, and learnt about players net scores for each hole. We also learnt the scorecard has lots of information on the card especially how each hole is rated in terms of difficulty.

This past year I did have to play 'weather person' and had to unfortunately cancel 3 games.

Shotgun starts began at the end of July having everyone head out with a 9:30 start. It was so good to gather on the patio and see everyone. We were starting to feel life was getting back too 'normal'.

This year we are so pleased that we had 9 new members join us for a total of 50 members. Let's continue to encourage new membership.

Thanks for everyone's support for my first year as Women's League Captain.

Men's League Captain's Report (September 29, 2021)

After only a couple of weeks of delay we managed to get our program underway on May 26th. The weatherman then cooperated and we got 19 Men's League days in, including the member/guest day. Our membership expanded with about 10 new members resulting in an average of well over 60 golfers per week, and hitting a high of 75 in July. We now have about 90 golfers on our mail list

One major change this year was to move the Club Championship back to the weekend. This freed up a men's league day and provided two days of competition for Highlands Club members on the weekend. I expect this arrangement will continue next year.

Last year I recall saying that we had terrific playing conditions. But I have to say the playing conditions were even better this year. Thanks to Chris and Rick Fleming and their staff for their work maintaining and improving the course. Thanks also to Shawn and the pro-shop staff for their support of our men's days. Finally, I want to thank Tracey and her staff for the great food and drink following golf. We wish Tracey all the best as she moves on at the end of the season.

Overall, another great year!
