Introduction

Wednesday Men's League is open to Calabogie Highlands members and non-members alike, starting in early May and finishing late September with prizes awarded for weekly games and par three deuces. It's a fun and sometimes competitive league.

Format

Wednesday Men's golf commences with a shotgun start at 9:00 am. Therefore, players need to arrive early enough to ensure they are at their starting holes for 9:00 am. After the game, players may join for prizes, camaraderie, drinks, and dining.

The Captain will make up the weekly games along with teams except for once monthly where players you can make up their own teams. Players are notified in advance of the upcoming weekly format along with a confirmation request if NOT playing that week. If you do not have a team for that week, the Captain will place you on one.

Weekly games are handicap-based. Therefore, **all players must join Golf Canada AND record your score weekly to maintain a fair and concise handicap.** Players with full memberships are automatically registered with Golf Canada – those not registered may do so through the Pro Shop.

Fees

Men's League Fee - \$55 - The fee to join the League is set at the spring annual general meeting each year with the cost expected to be \$55, the same as 2023. The fee goes towards weekly prizes and includes hole-in-one insurance. Any remaining money at year-end goes into supplementing the cost of the closing dinner.

Deuce Fee - \$45 (Optional) - For players wishing to participate in the par three deuce prizes, the cost is \$45, paid initially along with the league fee. The \$45 fee is held in trust in the player's name. As each Wednesday game played, the player's account is debited \$4 unless the player wins a deuce that week directly or indirectly on their team. Prize winnings are equally split within foursomes and credited back into the player's account and paid out at the end of the year.

Sponsorship

The men's League welcomes local sponsors which provide weekly prizes. In turn, sponsors receive advertising exposure and player support. Anyone interested in sponsoring should contact the Vice President.
