Membership Dues - \$55 (Independent of your Club Membership or Green Fees)

- Your membership goes toward prizes with any remaining amount subsidizing the closing meal and or weekly snacks/drinks.
- Hole-in-one insurance is included in your membership dues. The insurance provides a jug (or pop) for every foursome playing that Men's Day.

Deuce Pot - \$45 (Optional)

- A Deuce Pot competition is in play on all par 3 holes. A deuce or eagle means your foursome will win all or, if multiple deuces, a share of the pot for that day.
- Participants are charged a weekly fee (\$4) to be subtracted from your initial pot only on the weeks you play. Deuce pot winnings are allocated across the foursome that had the deuce and added to the player's pot balance and paid out at the end of the season.

Payment

- Members should provide their payment of either \$55 or \$100, depending on what you opt for, to Terry Dort (calabogiemens@gmail.com) via e-transfer (preferred) or provide a cheque made out to Calabogie Men's League in the pro-shop. Please ensure your name and e-mail are on the envelope or provided in the comment section of the e-transfer. Payments should be made no later than April 15th.

Tee times

- Our shotgun start begins promptly at 9:00 am. We will use holes 17, 18 and 1 to whatever hole is required to accommodate all participants.
- The Captain will notify members of their starting holes and foursomes no later than the Monday prior to Wednesday golf.
- Please arrive at the Clubhouse in time to check-in and get to your starting hole by 9am.

Weekly Games

- We host weekly fun games with foursome and individual prizes along with the deuce pot. The schedule for the year is on the Calabogie Highlands website under Members/Wednesday Men's League.
- One of our goals is to have you play with as many members as possible during the season. New members have found this a great way to get to know their fellow golfers. About every fourth game you may make your own foursome but for the remainder of the games the groups will be set by the Captain.
- An e-mail will go out from the Captain each week (Thursday) requesting you to confirm, by Friday, if you are playing the next Wednesday. The Captain will e-mail you your foursome and starting hole by Monday.
- If it is a make your own foursome week – advise who is in your group. Don't worry, if you do not have a foursome, you will be placed in one.
- Prizes are awarded the same day as the competition.

May 6th Opening Game

- The game for May 6th will be "Three Net Scores". See the schedule on the Calabogie Highlands website.
- As suggested by new members in past years, the Captain will make up the teams.
- An email will go out to all members around April 27th asking if you want to play May 6th.
- Please reply back to the Captain by April 30th indicating yes or no. You will be e-mailed your starting hole along with your foursome by Monday May 4th.

Score Cards

- Score cards with assigned players, handicaps and game for the day will be available from the Captain upon arrival.
- Score cards should be completed by one person in each group and provided to the Captain or Assistant Captain following the game. Clearly mark the names of players in your group – especially if there are any last-minute changes.

Handicaps (IMPORTANT)

- All of the Wednesday competitions are handicap-based. Therefore, we request that everyone join Golf Canada and maintain an up-to-date handicap. For 2026, Golf Canada memberships are not included in your Highlands membership fees. We request that you purchase your Golf Canada membership through the proshop so that you are recorded on Golf Canada under Calabogie Highlands. Your membership fee through the proshop will be \$44 plus tax, lower than that available directly through Golf Canada. In addition to their handicap software, the Golf Canada membership includes benefits such as insurance against club damage, golf cart accidents and window replacement.

Sponsors

- In the past we have been fortunate in obtaining sponsorship for most of our Men's Days. In 2025, as a result of the sponsors we were able to host a free lunch at the end of the year as well as several beer days.
- If anyone is interested in sponsoring a Men's Day, please contact Tom Sloan (tomsloan1964@gmail.com).
- Please remember to support our sponsors.

We're looking forward to seeing you May 6th!
